

Give the "Gift of Music" this holiday season

D-Prods LLC Recording Studio and Vital Sound Mastering and Production Studio are collaborating to offer outstanding holiday specials! This is the perfect gift for Grandmothers & Grandfathers, Aunts & Uncles, etc...

Bring your performance (instrument or vocal!) to our professional recording studio for top notch recordings. If you don't play an instrument, we offer professional voice-over recording, where you may sing to your favorite song. It is recommended that any performer be at least grade school age.
